

## DO YOU HEAR THE VOICE OF THE LORD CALLING YOU?

*Spirit of Joy is Calling a New Pastor...is that you or someone you know?*

Hello,

We are a small, active church in Indianapolis governed by a group of elders, that takes seriously the Great Commission in Matthew 28:16-20 to spread God's Word locally and globally.

We have the ambitious desire to become the "go-to" neighborhood church in our area. As such, we desire a Pastoral leader with experience in key outreach and missionary principles. It is our desire to reach the unchurched, to introduce them to Christ and to help them grow in discipleship and spiritual formation.

Our new Senior pastor must have a vibrant, professing faith in the Lord, Jesus Christ.

Our new pastor will also possess positive interpersonal skills and strong development and leadership skills.

We seek someone who is willing to work together with people with diverse ideas and gifts.

We believe it is vital that interested candidates understand the importance of technology as a tool for communication, storytelling, and outreach.
